

Our Products: *Company Profile*

Ignatov & Company Group provides a wide variety of informational products referring companies – from brief Company Profiles to multi-page Company Comprehensive Reports.

Company Profile covers the basic level of intelligence over the target company – such as brief description of its origin and business activities, location and address, registration information and basic financial indicators.

Company Profile is usually used when you want to make a quick glance on some company’s background and to understand if to move further to more comprehensive sources of data over that entity.

Currently we have a large set of ready-for-delivery Company Profiles for more than 5,000 companies in Russia, Central & Eastern Europe, Central & Western Asia, South and Southeast Asia, Latin America and Africa. All of these Profiles may be easily ordered in our Emerging Markets Information Store in <http://www.emergingmarketsreports.com>

If you do not see any company in the list – contact us and we’ll make a bespoke Profile for you.

If you need deeper and wider insight into any company’s background and activities – such information may be easily found in our [Company Comprehensive Reports](#)

IGNATOV & COMPANY is a group of market researchers and consultants providing world-class service for international clients since 1998, with special emphasis on the transitive economies worldwide. We cover four of BRICS countries (Brazil, Russia, India, and SAR) as well as other emerging markets in the Former Soviet Union states, Central & Eastern Europe, Central Asia, Caucasus, Caspian region, Western Asia, South and Southeast Asia, Latin America and Africa.

Our well-trained team of consultants, researchers, and analysts has gained special knowledge and good experience in market research, company intelligence, benchmarking, business intelligence and analytics, news syndication and aggregation, business and engineering consulting, and foresight for various kinds of clients.

Initially established in Russia at September 1998 our company became a recognizable international player in less than 10 years. Currently our multinational team is presented in more than 40 locations worldwide covering 75+ countries in 4 continents.
